Re: Frontier Communications Application to Participate in the FCC's Broadband Adoption

Lifeline Pilot Program

Dear Ms. Dortch:

Pursuant to the Commission's Public Notice, <sup>1</sup> Frontier Communications Corp. hereby submits its application to participate in the Commission's Broadband Adoption Lifeline Pilot Program.

Portions of this submission include confidential information that Frontier files pursuant to the Commission's August 25, 2011 Protective Order in this docket.<sup>2</sup> Specifically, Frontier requests confidential treatment of its current broadband pricing, both recurring and non-recurring and also data related to broadband speeds. This information is competitively sensitive and is not normally released to the public in this fashion; release of such sensitive data could give Frontier's competitors an advantage in the markets described therein. The non-redacted portions have been marked as confidential. Frontier is also filing a redacted copy of this report for public inspection.
